Dear Vendor/Competitor:

This year's festival will feature a live auction at 12:15 p.m. on Saturday, November 4, 2017. This exciting event can only take place with your help.

The North Carolina Gourd Society is grateful for each contribution regardless of size or value, as are the lucky winners. However, we realize that each of you is already contributing to the festival and to the NC Gourd Society in many ways, so do not feel that participation is mandatory.

If you choose to participate, please fill out the form and bring it to the Club table with your donation on Friday afternoon or Saturday morning. Include your business card so that we may give proper credit for your generosity. Proceeds from the auction help to ensure an even better Festival next year.

## Volunteer Information

It takes many people to run a two-day gourd festival and since the North Carolina Gourd Society is a non-profit organization, we can't hire people to help. Club members do all of the setup work, provide club table coverage, and assist with the placement of the competition gourds as well as help with the judging. Help is needed in the following areas:

- Friday: assist with general setup, help set up the display gourds, set up the competition tables, and set up the club table.
- Saturday: collect admission, stamp hands, staff the club table, assist the gourd craft demonstrators in setting up and taking down their exhibits, assist with the auction. Three one-hour volunteers are needed as clerks to the competition judges and to help distribute the winners' ribbons.
- Sunday: collect admission, staff the club table, help take down the club table, and help take down the gourd displays.

We can use volunteers who can spare an hour all the way up to nine hours in a day. If you are interested in finding out more about gourds and want to see the Festival from the inside, please contact Judy Aycock, Festival Volunteer Coordinator at (252) 291-9309, [blackcreekcrafting@gmail.com](mailto:blackcreekcrafting@gmail.com) for more information. Each volunteer who works four or more hours receives a free gourd t-shirt.
